How can InCahootz make my event special?

An InCahootz performance typically includes:

Three sixty (60) minute sets. We can play longer or shorter time frames as well, and often work with our hosts to create an appropriate mood for an event, and to maximize the overall enjoyment of the guests. A full sound system and professional lighting is tailored to suit the size of the venue and group.

Emcee services can be requested for no additional fee. Our emcee can announce guests of honor, corporate dignitaries, etc.

InCahootz can tailor our general menu to suit your particular requirements. InCahootz can be booked as a five piece, six piece or seven piece group. Additionally Freefall Horn Section, a 5 to 6-piece horn section, is available to join where space and needs allow. This versatility allows us to tailor performances to your needs.

While we do not include pricing in this promotional package, we do provide specific quotes when requested. The price of a performance/event can be difficult to articulate in a one size fits all menu, as there are a myriad of factors that influence pricing. We endeavor to fit within the constraints of the budget of our hosts, and are extremely flexible and accommodating when it comes to pricing and logistics. Our goal is consistent with the goal of our clients, to make the experience as enriching and enjoyable to the audience as possible.
